VINO - Biography

Band:

Maciej Winogrodzki – guitar, vocals
Maciej Gładysz – guitar
Michał Burzymowski – bass
Krzysztof Poliński – drums

Vino's music is influenced by classic rock 'n roll bands (think famous Polish bands Human and Energy), but the band's unique sound is beyond full comparison. Each track stems from the band members personal experiences, expressing vivid emotions. Their music reach out to listeners of all genres. *"Our inspiration comes from real life, in all of its shades and colours, and human nature, with all of its strengths and weaknesses... all of its complicated imperfections"*, says the band. It's hard to pinpoint the actual moment when VINO first formed: the band evolved from a series of meetings, events, and coincidences. VINO is currently ready to release their first solo CD, which includes the well known single *"Come in my heart"*. VINO consists of band members Maciej Gładysz (guitar), Maciej Winogrodzki (vocals, guitar), Michał Burzymowski (bass), and Krzysztof Poliński (drums).
